EXPLOREMORE!

ENRICHMENT PROGRAM FOR GIFTED AND TALENTED YOUTH

GRADES K-8

ExploreMore! Is a popular enrichment program designed to meet the needs of academically, creatively, and artistically gifted students from kindergarten through eighth grade. We offer an ever-changing variety of courses in science, mathematics, visual and performing arts, and original interdisciplinary studies. Students choose their own classes on a first-come first-served basis.

When and Where

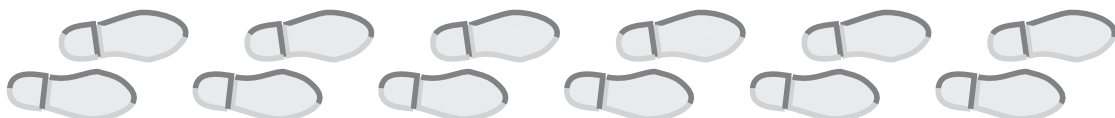

- Fall 2009 semester courses will begin September 26 and end October 31
- Sessions meet from 9:00 – 11:00 AM
- Classes are held in Founders Hall at Northern Kentucky University

What makes ExploreMore! Outstanding?

- Small class sizes
- Personal attention from caring teachers
- Challenging hands-on learning
- An emphasis on critical thinking and independent learning
- An environment that values creativity, diversity, and achievement
- The opportunity to share interests with other gifted children

What are Classes Like?

- Class sizes are small. Classes are limited to provide each student with individualized instruction.
- Classes are challenging. ExploreMore! courses provide authentic, hands-on learning experiences. They encourage creative thinking, development of problem-solving skills, and individual exploration of student interests.
- Classes are taught by teachers who care. Classes are taught by teachers who select their own course topics, so ExploreMore! teachers are knowledgeable and excited about their subject matter and share this enthusiasm with their students. Teachers also receive support and training from NKU's Program for Talent Development and Gifted Studies to help them meet the special needs of gifted and talented students.
- Classes are fun. ExploreMore! classes are interesting and interactive. All classes provide gifted students the opportunity to meet and have fun with other bright students who share their interests and enthusiasm for learning.

EXPLOREMORE! POLICIES AND INFORMATION

Registration Deadline

- Postmarked by Friday, September 11, 2009

Applications after this date should be delivered to the registration table on the first day of class. There will be an additional \$25 processing fee for late applications. Students are placed in classes on a first-come, first-served basis, and many of our popular classes will fill before the application deadline.

For the best choice of classes apply today!

Registration

- Complete the registration form and send to:

ExploreMore! Program
COEHS, BEP 251
Northern Kentucky University
Highland Heights, Kentucky 41099

- Enclose a check (no cash) for ***\$80 per class*** payable to *NKU - ExploreMore! Program*
- Course fees are paid directly to the teacher on the first day of class.
- Refunds will be sent to those students not accepted due to full enrollment.
- Students accepted for the program will receive confirmation **after September 11, 2009**.
- The ExploreMore! Program reserves the right to close or cancel prior to the first class meeting or make any necessary schedule changes.
- Message Center—the ExploreMore! message center is available at 859-572-1957

Refunds

- Full refunds, minus a \$25 processing fee, may be given prior to **September 11, 2009**.
- No refunds will be made after classes have begun.
- Any child whose behavior disrupts the learning of others will be discontinued as a participant in the program. There will be no refund of fees under these conditions.

Emergency Closings

- In case of inclement weather or any unforeseen emergency, the ExploreMore! Program reserves the right to cancel a class without make-up class or refund.

Publicity and Media Waiver

- All students enrolled in the ExploreMore! Program and their parents grant permission for use of any record of the student activities (i.e., photos, audio, videotaping, and slides). The material so obtained may be employed for dissemination for educational purposes by the ExploreMore! Program and Northern Kentucky University's Program for Talent Development and Gifted Studies.

EXPLOREMORE! COURSES

Adventures in Economics

Grades 3-5 Materials Fee: \$5

Have you ever wanted to start your own business? Create your own advertisements? Explore the world of economics, and find out more interesting topics dealing with how your everyday decisions really do make a difference!

All Systems Go

Grades 2-5 Materials Fee: \$10

Did you ever wonder how your brain works, why your eyes are blue and your hair brown or what happens to your food once you eat it? Do you want to know how you keep breathing even when you are sleeping, how fast your heart beats or why you hurt when you fall down? Then each week come take a journey with us through the different systems of the greatest machine ever, the human body. This hands-on class features activities, experiments, demonstrations and games where you'll discover a different body system, what it does and why it does it.

American Idols in Training

Grades 4-8 Materials Fee: \$5

Have you ever pictured yourself on stage, singing your heart out for thousands of adoring fans? Do you often find yourself singing note for note with your favorite musical artist? If so, take your talent to the next level in this vocal class! You will sing many of today's most popular songs and learn vocal technique along the way.

Artistic Technique

Grades 4-8 Materials Fee: \$10

Let's take a look at famous artists that are not ordinarily studied in school; Norman Rockwell, Chaim Soutine, and Andy Warhol are a few of the artists we will study. Using their techniques such as impasto painting and digital photography we will create our own masterpieces!

Around the World in 6 Weeks!

Grades K-3 Materials Fee: \$8

Did you ever wonder what it would be like to be in a New Year's parade in China? Would you like to try an African feast or play Australian games? Do you think it would be fun to dress in different traditional clothing from around the world and perform traditional dances? If you answered "yes" to any of those, then this is the class for you! Geography meets living history and culture in this exciting hands-on class! Students will take a trip

around the world, learning about a different country each week. They will have the opportunity to participate in hands on activities each week including traditional games and activities, in class parades and festivals, dress, dance, arts and crafts, preparing and eating ethnic foods, and more!

Beginning Guitar Class

Grades 2-6 Materials Fee: Book & CD: \$12

Will tailor class to the beginning ability of students! Did you ever want to pick up a guitar and play and sing with your friends?! Come and learn to play some 3-chord folk songs and some simple classical melodies on the guitar and impress your friends at the next sing-along. Guitars will be provided for use during the class, but students are encouraged to bring their own guitar if they already have one or to purchase an 'Indiana Colt' guitar at Wert Music. The price is discounted for this course (\$55.00 + tax) and it includes a gig bag and 3 picks. This guitar is a very suitable instrument for the young player. See you in class and happy trails!

Champion Chess

Grades 3-8 Materials Fee: \$20

Take your chess playing skills to the next level. You will learn how to compete in tournament style chess competitions while expanding your critical thinking skills. These strategies will surely put you on the path to Grand Master status. Also with the materials fee, you will receive an official tournament chess set. This class is not for beginners.

Chess for Fun

Grades 3-8 Materials Fee: \$20

You will learn all about the world of chess and some strategies you can use to impress your family and friends. Explore the history of chess and master the opening, middle, and moves for the end of the game. Thinking skills learned in chess can be applied to many aspects of life. Also with the materials fee, you will receive an official tournament chess set.

Civil War

Grades 6-8 Materials Fee: \$5

Why do Southerners call this historic event "The War of Northern Aggression?" How were the Yankees able to finally defeat the Confederates? Why did Lincoln have to change general multiple times? Come and learn all about the most interesting and controversial war in American History.

Creative Writing

Grades 4-8 Materials Fee: \$5

Do you love to write, but are limited to the same styles of writing? Through this fun course, you will be introduced to different types of writing in a very interactive way! You will leave knowing more ways to write about a variety of topics, while also having fun with it.

CreARTivity

Grades K-3 Materials Fee \$10

Have you ever thought about drawing with glue, painting with crayons, or coloring with flowers? That's just what we have in store for you in this class! We will use unique techniques such as crayon etching, flower pounding, and glue line drawings to learn about the different elements of art. We won't be creating any ordinary fridge drawing—but art you will want to frame and hang in your own home gallery!

Critical Thinking Adventures

Grades 3-6 Materials Fee: \$5

Whether you are a math lover or want to see how much fun math can be, this class is for you. Learn new math games and explore exciting hands-on topics such as geometry, problem solving, fractions, and probability.

Dungeons and Dragons – An Introduction

Grades 4-8 Materials Fee: \$5

Here's a great opportunity to learn how to play D&D – a fantasy role-playing game of medieval adventure played with paper, pencils, a few dice, and a vivid imagination. You control a character with skills and strengths that are used to explore a world full of danger, intrigue, and riches. You will also have the opportunity to design your own game setting and act as the dungeon master for other players. Come learn about this fascinating game!

Gobs of Goo

Grades K-3 Materials Fee: \$10

Learn the scientific method through hands-on activities. Create and explore a variety of substance. Use your imagination to think like a scientist. Develop your thinking and investigative skills through this fun exploration of 'gobs of goo'.

Inventor Academy

Grades 4-8 Materials Fee: \$5

Have you ever wondered how the things we use everyday were invented or how they work? We will explore how useful things are invented, look into the minds of famous inventors and design some useful inventions of our own!

Just Dance!

Grades K-8 Materials Fee: \$0

Learn how to move, shake, shimmy and tap! This is a fantastic class for beginning, intermediate and advanced dancers. We will be exploring the art of tap, jazz and hip-hop dance. Learn choreography, musicality, rhythm and movement. Before class begins, purchase a pair of tap shoes at Loshin's Dancewear (5141 Kennedy Avenue, Cincinnati, OH 513-531-5800), The Dance House (616 Buttermilk Pike, Crescent Springs, KY 859-344-6606), or Payless (only girl tap shoes). Girls should purchase merry jane tap shoes (tan or black), and boys should purchase oxford or jazz tap shoes (tan or black). Ask for the most basic and economical style! For jazz and hip-hop, you can just wear your gym shoes. So put on your dancin' shoes and come and join in the fun!

Live it in Spanish!

Grades 3-8 Materials Fee: \$5

Explore the Spanish speaking world. Learn games, songs, dance, holidays, special and everyday foods, dining customs, sports, methods of transportation, etc. In each area we study, you will learn the appropriate Spanish words and phrases.

Poetry Workshop

Grades 4-8 Materials Fee: \$20

The purpose of the poetry workshop is to engage students in making meaning of text as they read, write, listen to, and discuss poetry in a literacy-enriched environment. Students meet as readers, writers and listeners who exchange ideas, share writing and hone techniques of poetry writing. Students will read poetry—their own and others', students write poetry—personal and published, students listen to poetry—classic and classmates' and students speak about poetry as readers and writers. Music, acting and illustrating our poems will also be incorporated to make it a very different and fun experience for the budding creative writer! (Materials fee goes toward a journal and art supplies)

Space Exploration

Grades: K-3 Materials Fee: \$5

What are the planets in our solar system? What causes day and night? What is a constellation? Our Solar neighborhood is a thrilling place. Come explore planets, moons, asteroids and many other exciting objects in our Solar System through toys, games and hands-on scientific activities.

Tickle the Ivory – Beginning Piano

Grades: K-3 Materials Fee: \$0

Warm up your fingers and learn how to tickle the ivory. You will be exposed to the basics of piano playing, learn some simple classical songs, and impress your friends at the next sing-along. Materials fee includes piano chord book. We are looking for the next virtuoso.

Under the Sea

Grades K-3 Materials Fee: \$5

Ever wondered what really lives in the ocean? Come explore and find out as we take a plunge underwater to learn about different ocean creatures! As we learn about each creature, you will get to make your own. So put on your scuba gear as we get ready to take a fun ride into the ocean.

Video Game Design

Grades 5-8 Materials Fee: \$5

If you like playing video games, now you have the chance to create your own. Learn how people design games and become your own video game programmer. By the end of the class you will your own computer game to share with your friends

What kind of Animal is that...?

Grades 2-6 Materials Fee: \$5

Have you ever wondered what is it like to work in an Aquarium or the Zoo? How do they pick the animals? Where do they get them from? Who takes care of the animals? Where do the animals sleep? What do they eat? Spend some time learning about animals and what aquariums and zoos are doing to protect them.

Who wants to be a Scientist?

Grades: K-3 Materials Fee: \$5

There are many types of scientists. Learn about the jobs of physicists, biologists, chemists and astronomers. Learn what other jobs involve science, and become a scientist and test your hypotheses!

Do you have an interesting hobby that would be intriguing to our ExploreMore! students? Are you a teacher who can offer the challenge that our gifted students are craving? Paid teacher positions are available. Please contact us: gifted@nku.edu or 859.572.1957.
